Dear Sirs

NOTICE IN TERMS OF SECTION 141(2)(a)(i), SECTION 144(3), SECTION 145(1)(a) AND SECTION 146(a) OF THE COMPANIES ACT 71 OF 2008, AS AMENDED

1. This is an important notice of legal proceedings that may affect you directly. If necessary, please consult your attorneys or other professional advisors for advice.
2. Notice is given in terms of section 141(2)(a)(i), section 144(3)(a), section 145(1)(a) and section 146(a) of the Companies Act 71 of 2008 ("Companies Act") of the legal proceedings instituted by the business rescue practitioners of Saxendrift Mine Proprietary Limited ("Company") against the Company.
3. Since the commencement of business rescue on 18 May 2017, the business rescue practitioners have investigated the affairs of the Company to determine whether the Company is capable of being rescued within the meaning of the Companies Act – that is, that the Company will be able to continue to trade on a solvent basis post the termination of the business rescue proceedings or that the business rescue proceedings will achieve a better dividend for affected persons than they would receive in a liquidation of the Company.
4. The business rescue practitioners of the Company have resolved, in terms of section 141(2)(a) of the Companies Act, that there is no longer a reasonable prospect of rescuing the Company and to apply to the High Court of South Africa, Northern Cape Division, Kimberley for an order discontinuing the business rescue proceedings and placing the Company into liquidation.
5. Take note that the application will be heard in court on **Friday, 22 September 2017 at 10h00** or so soon thereafter as the application can be heard, or on such day and at such time to which the court may postpone the hearing of the application.
6. A copy of the application papers (excluding the annexures) is attached to this notice and is also available on the Company's website – www.rockwelldiamonds.com Should you require a printed copy of the application papers, please contact us and we will assist you.
7. As appears from the application papers –
 - a. the Company is commercially and factually insolvent, and is unable to pay its debts;
 - b. the Company does not have sufficient funds or access to funds to continue in business rescue;
